We started TG as a family business. Not only do we have thousands of families attending, but my eldest, Caity, is a Junior at MSU Business school preparing to help me run TG. My middlest, Jessi, is graduating high school and off to Grand Valley. She wants to be a nurse like her mom. My 15 year old, Ashley is a freshman. She’s wanted to help me run TG since she was little.

Congrats to all the Graduates! Hoping all families enjoy their loved ones and summer. We are blessed.

SUMMER CAMPS

Did you know we offer camps all summer long? Every Monday-Friday from June 18-August 31, campers will get to explore and play both in and outside at Troy Gymnastics. This summer, campers will receive a booklet when they register for Camps. For every day they are present for Camps, campers will receive one stamp. Visit the office and check out the awesome prizes you can win!

As it gets hot outside, be sure your gymnast is hydrated before & during practice. Please bring a water bottle with your gymnast’s name on it to class.
