PRIZE STORE: During the meet, gymnasts will earn 'Gymnast Bucks' to spend at the Prize Store after their competition is complete. Judges and Coaches will be responsible for handing out 'Gymnast Bucks' to the athlete(s) that best deserve them. Some of the ways gymnasts can earn prize money is by sticking their dismount off beam, not picking a wedgie during their floor routine, having the highest cast on bars, cheering the loudest for their teammates, and more! We will provide the list of awards and their value to Judges and Coaches upon arrival to the meet. The prize store will have lots of exciting goodies including leotards, t-shirts, grip bags, hair scrunchies, candy, and much more!
